

AGENCY DIALER

Protecting Today Tomorrow

At Karma Financial Group, we empower our agents with cutting-edge tools like our Unique Dialer, designed to maximize client connections and streamline workflows. This systems comes with a plethora of custom numbers to help reach more clients.

With top-tier lead generation, we take the guesswork out of prospecting, letting our agents focus on what they do best—helping families secure their futures.

REACH MORE CLIENTS FASTER

3X

Reach 3 times the amount of clients with our unique dialer system.

58%

More conversion with our in-house lead system. We know our stuff when it comes to sourcing clients

411%

Our agents do 4 times the volume of the average insurance agent leading to more commissions and residuals

OUR SOLUTIONS

No More Dialing Numbers

Our Dialer System allows our agents more mental clarity by reducing dialing fatigue.

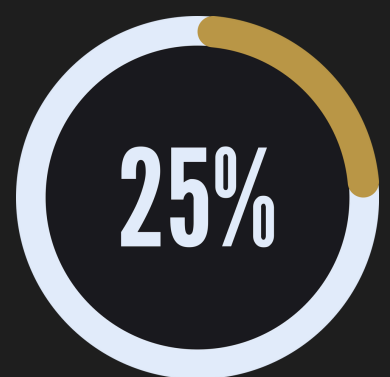

Lead Flow

With high quality leads that know what the agent is talking about, our agents close more with less effort.

Wifi Money

Our Dialer App loads onto your computer and keeps agents connected as long as they have Wifi

Did you know?
Only 25% of agents in the insurance industry have leads they can close.
